DESIGN GUIDE

CUSTOMIZE YOUR EVENT BADGE

1

Choose your badge

We have badges and passes to meet all your needs, from our distinctive Premier Event Badge to our Eco Event Paper Pass.

 Look for this symbol for eco-friendly badge options.

2

Choose your size

All of our badges come in different sizes – simply refer to the chart on the right.

3

Choose your finish

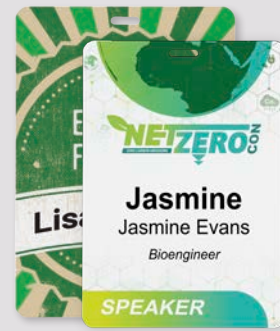

Once you have your artwork determined, turn up the wow factor with a complementing finish. Whether it's the ever-popular gloss or the rainbow-effect prismatic, you have several options to choose from.

4

Choose your slots or attachment

Request a center slot or double slots for bulldog clip lanyards; choose a center hole for j-hook or lobster claw lanyards. Or choose from a magnet, pin or clip.

HOW NAME BADGES TO GO WORKS

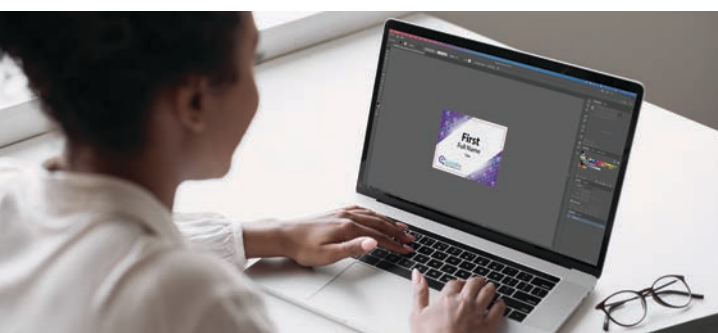

Select the size and type of your name badge.

After you have your final headcount, it is time to choose your name badge. Choose from vinyl holders with custom designed inserts to full-color event badges.

Select your lanyard, attachments and add-ons.

Consider adding a magnet, pin or lanyard to your name badge. Don't forget Badge Ribbons. We can add ribbons to your badges or into vinyl holders in advance upon request.

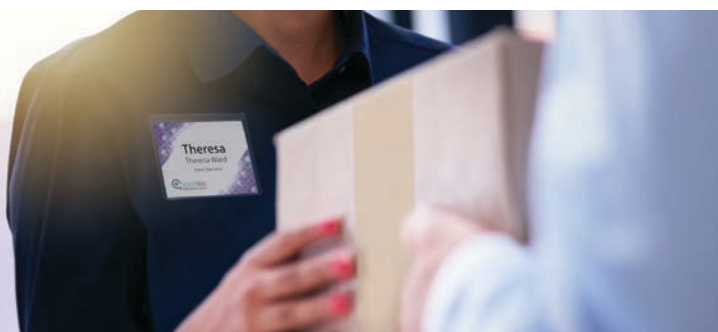

Work with our art team to nail your badge's design.

Your badge should be as unique and memorable as your event. Whether you have a full badge design ready, or a logo and layout in mind, our art team will help bring your vision to life.

Send your attendee list and choose how we organize your badges.

Once your design is approved, we will start the printing, stuffing and sorting of your badges. Our team can arrange badges in virtually any way imaginable, whether by first name, last name, company, group or other category.

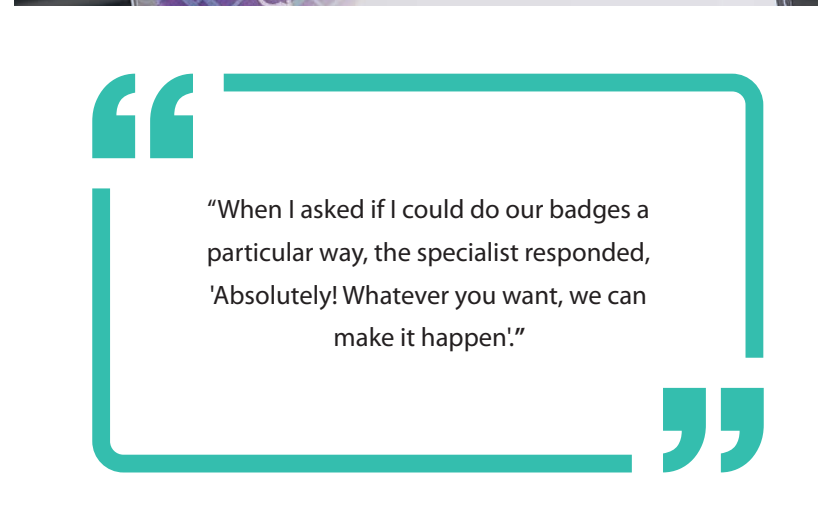

Have your badges shipped anywhere.

Using eco-friendly packing materials, we'll send your order to your office, venue, host hotel or location of your choosing. Every order comes directly from our production facility.

WHAT CUSTOMERS ARE SAYING ABOUT NAME BADGES TO GO

“I have been using this service to print my badges and put them in holders for several years now, and I recommend Name Badges to Go to anyone who plans events. It's so EASY and they look GREAT!”

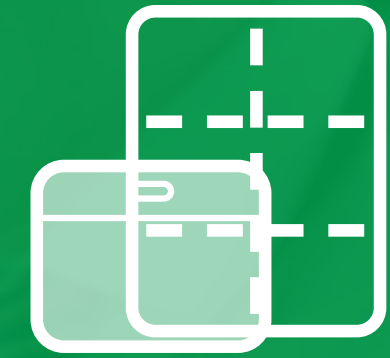

“When I asked if I could do our badges a particular way, the specialist responded, 'Absolutely! Whatever you want, we can make it happen.'”

“All I had to do was take the lids off the trays. I actually had time to drink a cup of coffee and chat with our staff as they checked in.”

CHOOSE YOUR BADGE HOLDER

1

Choose your holder type

From budget-friendly options to eco-friendly alternatives, you're sure to find a badge holder that helps you achieve your meeting goals.

2

Choose your size

Select a size that accommodates the information you'd like to display, including names, titles, logos, variable data and more.

3

Choose your attachment

Consider the nature and duration of your event when choosing an attachment. A magnet is great for more formal events while a lanyard is perfect for multi-day events.

4

Don't forget your inserts!

Finish off the look of your badge with a perfect blank or pre-printed insert. Let us take care of the printing and name tag assembly, we're here to help!

Choose your holder type

EZ STUFF®

Gain valuable time back into your day with this versatile holder that allows you to stuff inserts up to 20% faster than regular holders.

PREFERRED

This premium quality badge holder is made with 38% thicker material and stronger edge welds to resist creases and tears.

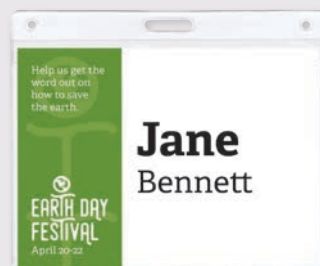

STANDARD

An economical option, this holder is ideal for planners seeking a cost-conscious option that will hold up to light wear and tear.

NON-GLARE

A matte finish reduces glare to make images and text easier to read. This is a great option for presenters or emcees that are constantly in the spotlight or being filmed.

BIO PVC

Perfect for the eco-conscious planner, this biodegradable holder will help you go green without putting your budget in the red.

Choose your size

Choose the size of your badge holder based on how much information needs to be printed on the insert. If the design looks crowded, consider moving up to a larger size. If the design has too much white space, consider moving down to a slightly smaller size.

AND MORE!

Every meeting is different. That's why we offer a wide variety of holder sizes for you to choose from, no matter the occasion.

Choose your attachment

CLIP

Choose this for a secure attachment that can be used on a wide range of name tags. Attach it directly to clothing or pair it with a key ring or o-ring lanyard attachment.

PIN/CLIP

Add versatility by giving them the option to wear their name tag several ways. Choose a key ring or o-ring attachment if pairing this attachment with a lanyard.

MAGNET

This customer favorite uses strong magnets to hold name tags firmly in place without causing damage to clothing. No lanyard needed with this attachment.

SINGLE SLOTTED

Keep name tags facing forward with a single attachment point. Pair this with a Bevi®, Pillar®, No-Twist Clip®, bulldog clip, j-hook or lobster claw lanyard attachment.

DOUBLE SLOTTED

This design features double slots that give the freedom to attach either a double bulldog, double j-hook, or a slim j-hook lanyard.

TRIPLE SLOTTED

Slots at the top corners of this holder keep name tags from spinning and ensure that names stay visible. Use with double bulldog or double j-hook lanyard attachments.

AND MORE!

Customization is our specialty. We'll help you get holders imprinted or select an attachment option that works best with your budget and meeting needs.

How it Works

Professional and Reusable

Encore Badge

- Great for short-term use or high turnover. Just print your staff names on inserts using an inkjet or laser printer, assemble, snap shut, and you are ready to go with a professional badge.
- Each badge consists of a crystal-clear, scratch-resistant, rigid lens cover, a printable, transparent insert, a metal badge plate, and your attachment choice.

CUSTOMIZE YOUR LANYARD

Customizing your lanyard doesn't have to be a daunting task. Breaking the steps down can make building the perfect lanyard for your event simple and enjoyable.

Follow our step-by-step guide, and if you need additional assistance, our team is here to guide you through the process from start to finish.

1

Choose your imprint type

Whether you're looking to print a simple, one-color design or an elaborate, full-color one, we'll help you find your best option.

2

Choose your size and fabric

Choosing the right combination will help your organization's branding stand out, stay visible and make a lasting impression.

3

Choose your attachment

Pick from a variety of options that will keep badge holders, event badges, IDs and credentials secure, legible and in-place.

Choose your imprint type

FULL-COLOR IMPRINT

Provide an eye-catching look that stands out at your next event. Our dye sublimation printing process is ideal for imprinting detailed logos and designs.

1-3 COLOR IMPRINT

Choose from a variety of colors to match your organization's branding or logo. This option is ideal for a polished and simplistic look.

Choose your size/fabric

BUILDING BETTER LANYARDS

We understand the importance of sustainable event planning. That's why we offer a range of lanyards that are affordable and eco-friendly.

All-day Comfort

Made with 100% biodegradable organic cotton fabric that's breathable, hypoallergenic, and soft. This fabric is made from chemical- and pesticide-free cotton, ensuring a gentle touch on your skin and minimal environmental impact.

Designed for Style and Functionality

The proprietary bevel-shaped attachment not only elevates the overall look of the lanyard but also helps keep badges facing forward. The attachment itself is designed to degrade naturally over time, or can be recycled.
